

Fish Boil

We are going to Cherry Point Farm
in Shelby, MI

Gather 'round the fire for a Great Lakes tradition, brought to this area by Scandinavian immigrants more than 100 years ago.

Whitefish from the cold water of these great lakes was plentiful and made a great meal outdoors when boiled with potatoes, onions and seasonings in a large kettle. They continue this tradition and add to the meal homemade coleslaw, garlic toast, herb-seasoned butter, and cherry pie, ice cream and lemonade.

Labyrinth

The labyrinth is an ancient spiral pattern which, when walked, is thought to be a spiritual journey, and symbolic of one's path in life. In recent years, labyrinths have undergone a dramatic revival as a meditation, relaxation, and spiritual tool. Unlike a maze, a labyrinth is a continuous circuit and you cannot get lost.
