

Genealogy

Interested in learning about your family history?

Curious what information is in the 1950 census which was released April 1, 2022?

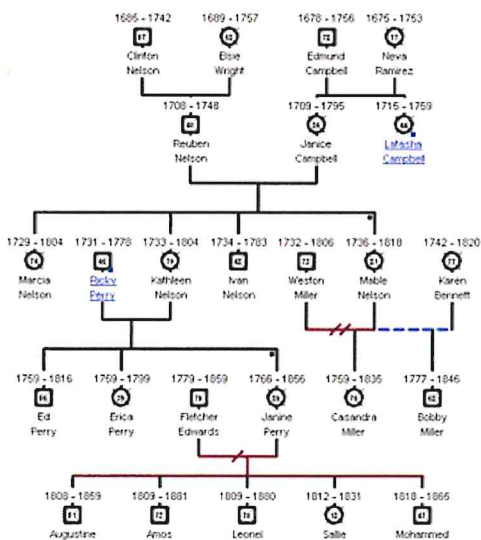

If so, join us for a beginning genealogy class.

It will be a series of four classes, two hours each.

The class will be in person, offered by members of the Kalamazoo Valley Genealogical Society.

There will be "homework" for the next class each time so bring your thinking cap along and learn about your family.

You'll have lots to share at your family Thanksgiving this year.

Date: TBA

Time: TBA

Cost: TBA

Register and pay by TBA

**Call now
to get on the list to
be called when
class is finalized.**
