

# Holocaust Center

Are you interested in learning about the Holocaust?

Do you have questions about what occurred and how people survived?

We are going to the Zekelman Holocaust Center in Farmington Hills, MI.

Take a guided tour, hear stories, see displays and ask questions along the way.

Explore exhibits that include a WWII-era boxcar (below) used by Nazis to transport Jews and “undesirables” to concentration camps and Viola and Garry Kappy Anne Frank Tree Exhibit and Garden featuring a chestnut tree grown from a sapling taken from the Anne Frank House in Amsterdam.

Learn about importance of standing up against prejudice, discrimination, and hate from the examples

*We will stop for lunch before arriving at the Museum*

Listen to  
the “Next Generation” speaker  
as they share their  
parents stories of survival.
